## Emerald Facial: \$105

This 60 minute organic, multi-fruit AHA treatment, maximizes cell renewal and minimizes irritation. Progressive exfoliation, used in combination with a proprietary blend of organic ingredients, eliminates rough texture, dull skin, and clogged pores, while diminishing the appearance of fine lines and wrinkles. From acne to aging, this facial is perfect for any challenge your skin is facing. You'll look so refreshed!

## All Color Conserve Products 10% Off

Planning to spice up your color this fall, or maintaining an existing look? This month, with a color service of \$68+, receive 10% off any Color Conserve products purchased on your service day. (Pssst...Guys! Color isn't just for the ladies. Call us to find out more about custom highlights and gray blending, we can tell you all about it.)
